

Quadrat Studio window profile

The Quadrat Studio profile is sharp, crisp and complements a contemporary look for any modern building. The flush face of both the frame and sash are enhanced with a slim shadow line around the edge and this window is designed to match the Quadrat Studio 4 window system offering a complete glazing system for solar shading and high thermal performance.

Performance ratings

- ✓ Wind load resistance: Class C4
- ✓ Air permeability: Class 7B
- ✓ Thermal transmittance: 0.85W/m K
